(the "Foundation")

and

THE SUBSCRIBER,

being the individual(s) who signed the attached Application or any assignee(s) thereof
(the "Subscriber")

and

EFG WEALTH MANAGEMENT (CAYMAN) LTD.

WHEREAS the Foundation was established for the primary purpose of providing Education Payments to assist international students with the costs of post-secondary academic and professional education at Canadian and international universities and colleges;

AND WHEREAS the Foundation and the Trustee have established the Trust to provide Education Payments to the Beneficiaries of Subscribers to the Plan;

NOW THEREFORE for good and valuable consideration (the receipt and sufficiency of which is hereby acknowledged), the Foundation, the Subscriber and the Trustee agree as follows:

Section 1

Interpretation

- 1.1 All defined terms used herein shall have the meanings set out in the Glossary of Terms attached hereto.
- 1.2 The recitals to this Agreement form an integral part of this Agreement.

Section 2

Enrolment, Registration and Deposits

Enrolment and Registration

- 2.1 To enroll in the Plan, the Subscriber must deliver to the Foundation a fully completed Application together with the documentation specified therein and the Foundation must accept the Application and the Subscriber must be notified of that acceptance with delivery of an acknowledgement notice and copy of this Agreement from the Foundation head office.

Subscriber Deposits

- 2.2 (a) The Subscriber agrees to purchase the number of Units including increments of fractions of a Unit, and to make Deposits in such amounts and at such times as set out in the Application, as long as the subscriber makes a minimum Deposit of \$500. If the Subscriber does not make deposits when due, the Foundation may consider the missed deposit as Notice of Withdrawal as outlined in Section 7. Until the Beneficiary is 13 years old, the Subscriber may acquire additional Units including increments of fractions by increasing the amount of Deposits in accordance with the Deposit Schedule set out in the current offering memorandum in respect of the Plan, using the current age of the Beneficiary to determine the amount of the increase.
- (b) The Subscriber may by Notice to the Foundation cancel Units without terminating this Agreement, provided a minimum Deposit of \$500 is maintained. Upon a cancellation of Units accumulated Principal shall be returned to the Subscriber. Enrolment Fees paid on cancelled Units shall not be returned to the Subscriber nor applied towards the Enrolment Fee for any remaining Units but may be applied towards the Enrolment Fee for additional Units acquired under this Agreement.
- (c) The Subscriber may change the frequency of deposits at any time. The Subscriber agrees to comply with any resulting variation in the Deposit schedule and Interest adjustment thereon, as determined by the Foundation. Any such variation in the Deposit schedule must comply with the Deposit limits described in section 2.7, and may result in certain adverse financial consequences to the Subscriber if the Beneficiary does not receive Education Payments.
- 2.3 It is understood and agreed that, subject to paragraph 4.2, the Subscriber's Principal is beneficially owned by the Subscriber and shall be repaid to the Subscriber after Maturity in accordance with Section 4.1(c)(i) or Withdrawal from this Agreement.
- 2.4 The Subscriber authorizes the Trustee to pay to the Foundation \$200 per Unit and the proportional amount of \$200 for each fraction of a Unit representing Enrolment Fees from the Deposit provided by the Subscriber as settlement for all activity related to the securing of the Agreement. The Beneficiary is entitled to receive an amount equal to the Enrolment Fee to be paid in equal ¼ installments when the Beneficiary qualifies for each of four Education Payments.
- 2.5 (a) It is agreed that all Deposits shall be credited to the Subscribers Account with the Trustee and after deduction of Enrolment Fees, may be invested by the Foundation, in consultation with the Trustee, in such Canadian dollar investment instruments that are not subject to Canadian Withholding Tax Liability under Canadian Income Tax Laws and for a term that will yield the maximum rate of Interest paid on such investments at the time of investment.
- (b) All Interest earned on investments shall be deposited directly in the Trust. From this Interest, the Trustee will be paid his reasonable fees, costs, expenses and out-of pocket charges. From remaining Interest amounts, an annual administration fee of 1% of all investments and Deposits in the Trust, calculated as set out in Section 5.1(c), shall be paid to the Trustee. The Trustee shall pay this amount to the Foundation as long as the Foundation performs its administration duties under the terms of this Agreement. The remaining Interest earned shall be allocated to Subscriber Accounts based upon their proportional share of all Deposits and Interest in the Trust and reinvested in accordance with the provisions of 2.5(a).
- (c) The Foundation shall maintain individual Subscriber Account records for Deposits, and Principal and Interest held in the account and shall make a report to the Subscriber, at least annually on the status of their Account.

Death of a Subscriber

- 2.6 If a Subscriber dies, payments under this Agreement must be continued by the estate or another individual, otherwise the provisions of section 4.2 will apply.

Deposit Limits

- 2.7 The Subscriber acknowledges that the maximum Deposit for any single beneficiary is \$50,000, unless written authorization is received from the Trustee and the Foundation prior to submission of the Application. The Foundation reserves the right to refuse acceptance of a Deposit if, in its sole discretion, it believes that international laws may be violated with the acceptance of the Deposit.

Section 3

Beneficiary

- 3.1 The Subscriber names the individual listed in the Application as the Beneficiary and confirms that the date of birth of the Beneficiary set out in the Application is true and correct.

Change of Beneficiary

- 3.2 The Subscriber may by Notice to the Foundation name another child in place of the Beneficiary at any time until Maturity provided that the substitute child is 17 years of age or younger. Where the substitute child's age is different from the age of the Beneficiary, the Subscriber agrees to comply with any resulting variation in the Deposit schedule and Interest adjustment thereon, as determined by the Foundation. Any such variation in the Deposit schedule must comply with the Deposit limits described in section 2.7, and may result in certain adverse financial consequences to the Subscriber if the new Beneficiary does not receive Education Payments.
- 3.3 After Maturity, the Subscriber may by Notice to the Foundation name another child in place of the Beneficiary at any time until the earlier of (i) August 31 in the Year of Commencement and (ii) the original Beneficiary turning 21 years of age. - (d) The Subscriber may by Notice to the Foundation delay the return of Principal until no later than 60 days prior to the last day of the 25th year following the year in which the Subscriber entered into the Agreement.

4.2 In the event that the Foundation is unable to locate the Subscriber or the Beneficiary, the Foundation shall continue to invest all amounts in the Accounts in accordance with paragraph 2.5(b) and transfer the Interest thereon after Maturity to the Enhancement Account in accordance with this Agreement.

- 6.7 Any income earned on the investment of amounts in the Education Payment Account will be transferred to the Enhancement Account and shall be used to supplement the Education Payments determined in 6.3, 6.4, 6.5 and 6.6 or be used to satisfy the payment equal to the return of Enrolment Fee as described in 6.12.

- 6.12 Upon payment of each Education Payment to the Beneficiary, the Foundation shall pay to the Beneficiary an amount equivalent to $\frac{1}{4}$ of the aggregate Enrolment Fee paid by the Subscriber with respect to this Agreement (excluding any Enrolment Fees in respect of cancelled Units).
